\$202,138

Thanks to our generous donors, we raised \$202,138 surpassing our original goal of \$200,000

30%

INCREASE IN DOMESTIC VIOLENCE SINCE THE START OF THE PANDEMIC

Since the start of the COVID-19 pandemic, Canadians were required to stay home to protect themselves and their communities. However for 1 in 3 women and their children experiencing domestic violence, this was not a safe option. Your support of our shelter beds means that we can house women and children fleeing violent homes. Your support helps us save lives.
