Yellow Brick House announces Celebration of Resilience Fundraising Reception to raise awareness and funds for survivors of domestic violence.

Markham, ON - Wednesday, May 7, 2025 - Yellow Brick House, a prominent non-profit organization committed to serving and empowering survivors of domestic violence, proudly announces the Celebration of Resilience 2025 fundraising reception. The event will take place on **May 7, 2025**, at **Angus Glen Golf and Country Club** in Markham, Ontario, bringing together community leaders, advocates, and supporters in a united effort to raise awareness and critical funds for survivors.

This highly anticipated evening will feature an exquisite culinary experience with food stations from York Region's finest restaurants, live and silent auctions with exclusive prizes, and the popular Mystery Wine Wall. Guests will also be deeply inspired by a moving survivor story, highlighting the strength and courage of those Yellow Brick House serves. Adding to the evening's excitement, the event will be hosted by MC Ann Baiden, with Frances Fripp leading the auction, and Bianca Rollo providing light entertainment.

"We are honored to host this meaningful event, where our community comes together to support survivors of domestic violence," said Lorris Herenda, CEO of Yellow Brick House. "Every contribution helps us provide life-saving services to women and children in need."

All proceeds from the Celebration of Resilience will directly benefit Yellow Brick House's **Nights of Safety Program**, providing women and children fleeing domestic violence with access to emergency shelter and life-saving services—**where they receive free and confidential care.**

Yellow Brick House extends its deepest gratitude to **The Talent Company**, this year's Title Sponsor, and to all food station sponsors for their generous support.
